Tuition covers salaries, benefits, and professional development for faculty and staff - ensuring we are able to recruit and retain outstanding teachers who continue to offer our children the very best, research-based best practices for Christian teaching and learning in every classroom. It also funds all curriculum, programs, and supplies and supports our campus facilities, maintenance, and other needs. Tuition does not cover all expenses, and we bridge the gap with fundraising efforts throughout the year with fun events and our Annual Fund, the foundation of the school's yearly fundraising efforts.
